This, our 10th Annual Convention, gives old time radio fans another opportunity to meet fellow enthusiasts from around the U.S. and Canada. But most of all, the Convention honors those actors, actresses, and technicians who made the age of radio truly golden.

The cooperation of fans and radio personalities has resulted in exciting and interesting events through the years, including the reuniting of actual radio casts in live re-creations of Let's Pretend, The Shadow, Johnny Dollar, Mr. District Attorney, Counterspy, and many other fine shows. Unlike many other nostalgia conventions, guests and fans mingle continually, letting radio live again for these two days every year.
